

We are already full steam ahead into season 20/21 and we have settled into a new COVID normal thanks to the efforts of all club members. Remember that the situation is still changing rapidly so keep an eye out for any urgent communications.

## Board and Ski Carnival 1, Aldinga Bay

On Sunday November 1<sup>st</sup> 36 Red Caps from under 14s all the way up to masters hit the water for the first board and ski carnival of the season. For the under 14s it was the first time experiencing a senior carnival producing strong results for our club. The next Board and Ski Carnival is on November 22<sup>nd</sup> at Christies Beach.

## Qualifications and Skills Maintenance

It's been a busy start to the season, our second bronze has been group assessed and passed. These Youth are now fully bronze qualified. We have also had 23 youth achieve the Surf Rescue Certificate, bringing more base award members onto our patrols. IRB Crews have just finished up too, bringing on board a few extras.

We have an IRB drivers course well underway and another bronze group is about to start. It's great to have so many new volunteers on board!

Just a little reminder to check your members portal for your award expiry dates. It is the Members responsibility to complete a skills maintenance. For Brighton these proficiencies are happening on the 15th November. If members have missed this, you will need to contact Ingrid Cobiac [chiefinstructor@brightonsurfclub.com](mailto:chiefinstructor@brightonsurfclub.com).

While you're in your members portal check you patrol hours, again as a member it is your responsibility to get enough to compete. If your missing hours- contact Will McNamara [lifesavingservices@brightonsurfclub.com](mailto:lifesavingservices@brightonsurfclub.com).

## Youth High Performance Squad

A huge congratulations is in order to the very large number of Brighton U14-17 youth (listed across) who were sent an invitation to the join the Surf Life Saving SA Youth High Performance Squad.

We are so proud of this emerging group and we can't wait to see what they do. What a future! Go red caps!!

Interested in swimming the Brighton Jetty Classic but feeling a bit unsure? Or perhaps want some extra coaching to sharpen your skills and build your confidence?

The Be Active program is funded by the Brighton Surf Life Saving Club and the Government of South Australia. Official for Recreation & Sport. It is free to participants and aimed at both new swimmers and old hands to improve their performance and confidence for open water swimming.

\* Participants must be able to swim 500m in 20 mins or less.

\* Sessions are held at the Brighton Surf Club from 2.45pm Saturday afternoons. Please come at 2.15 to register at your first session.

\* They commence Saturday 28th of November and are held every Saturday up to the Channel 7 Brighton Jetty Classic at the start of February.

Please feel free to contact beactive@brightonslsc.com for any enquiries.

## Be Active

Our be active swim program kicked off again with Patrick Cobiac and Annabel Lampard at the helm on Saturday November 7th. This is a great program for anyone keen to get more confident with or improve their ocean swimming.

The program starts at 2.45pm, but particularly if it is your first time, arrive at the Surf Club at 2.15 to register. Happy Swimming!

## Legends of Surf Nipper Clinic

Grange Surf Lifesaving Club and their sponsor, Shaw and Partners, have organised a nipper clinic with SLS legends and invited Brighton and other SLSC's to participate. While we would like to include all our nippers, the invitation extended to Brighton SLSC is limited to 10 Nippers from the Under 11-13's Age Groups. The session is at the Grange SLSC on Saturday November 28th at 10am.

Given the limited numbers, we have selected the nippers to invite on the basis of last year's results and their commitment to training this year.

It is not often we are given an opportunity to engage in an activity such as this, and unfortunately then have to limit the attendance. Please Join us in congratulating on their selection to attend.

### Under 13's:

Joey Corbett  
Holly Fanning

Louis Aberline  
Annabelle Carr

### Under 12's:

Ben Maher  
Mitch Carr

Nelson Meehan  
Grace Norman

### Under 11's:

Oskar Saunders

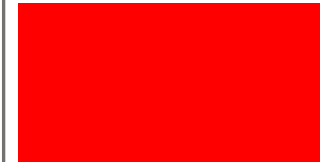

Mackenzie Verri

We will continue to identify more opportunities for all of our nippers to participate in. You will recall we invited Matt Bevilacqua to work with our nippers last year and just last week welcomed back our own legend Hayley Openshaw to nippers with Mel Mac for extra training in the flags and sprints arenas.

## 4pm Swim Can Bar

A Can Bar will be operating in the vicinity of the Patrol / IRB storage for 4 O'Clock swim participants (and others) while COVID restrictions on numbers impact access upstairs. The bar will open on the basis of everyone who drinks there taking ownership, helping out, packing up, leaving the area clean. It is an indoor space so seating is mandatory.

Thank you to all the members who continue to volunteer behind the bar. You can add your name to the roster [here](#).

Contact Burgo at the club for Bar or Duty manager training.

Interested in Supporter membership? Contact Ted Clark [supportermembers@brightonsurfclub.com](mailto:supportermembers@brightonsurfclub.com)

All current member registrations are due at the end of November and are to be done on-line. If you are having difficulty please contact Michelle Vincent [registar@brightonsurfclub.com](mailto:registar@brightonsurfclub.com)

## **Brighton Jetty Classic Swim and Brighton Jetty Sculptures 2021**

The BSLSC has made the decision to proceed with our two great events in the new year. They will be a little different to accommodate life in the time of COVID, but we look forward to seeing Sculptures on our Esplanade and Swimmers around our Jetty come January and February 2021. More news in the coming months.

### **Positions Vacant/Applications Open for SLSSA Lifeguards.**

There are currently positions vacant for SLSSA lifeguards. This is a great opportunity to lifeguard the metro and regional beaches of SA. Services may be provided to the Holdfast bay (Glenelg) and Alexandrina (Goolwa) council areas, additional work will be available to support schools and events throughout the season. There is a service of Lifeguards provided to Rowing SA for rowing regatta water cover on West Lakes and on the Murray River. You can find more information [here](#).

### **Social Media**

If you haven't already discovered it, now is the time to jump on board with our social media.

You can keep up to date with current news and all the action as well as support your favourite club by following BSLSC on Facebook ([@brightonsurfclub](#)) and Instagram ([@brighton.slsc](#)).

Please be mindful of social distancing at the Saturday BBQ and we are still currently only able to accommodate 6 people in the down stairs change rooms at a time.

Contact Sam Verri [verricharmed@gmail.com](mailto:verricharmed@gmail.com) with any news or social media items
